Sihanouk Charges CIA Plot to Kill Him

PARIS, Feb. 19 (UPI) Prince Norodom Sihanouk of Cambodia today accused the U. S. Central Intelligence Agency of trying to kill him and undermine his government.

In an article written by him for the Feb. 26 issue of the French-Language magazine Young Africa, Sihanouk said:

"Since 1959, the Pentagon and the CIA have spared no efforts to get rid of me and my family. They have encouraged secession, organized plots, tried to murder my parents, sent killers against us and now they are backing our country's traitors."
